

THE **myScholarship** workshop

Could you use more money for university?

*Every year, tens of thousands of dollars in scholarship money goes **unused** because eligible students don't apply! **You don't have to be a top student** to get a scholarship!*

This **3 hour workshop** will answer your questions about how to find and apply for scholarships. We'll go over the parts of the application and discuss ways to **improve your chances of winning**. Participants will write a draft of their list of activities and a draft essay, and get **tips on how to make it the best** it can be. We'll also discuss references and how to get great ones.

What you'll leave with: Students will come away with a draft of their activities list and a draft scholarship essay to use in their applications. They will also take away several helpful resources.

This workshop is best suited to students in **Grades 11 and 12**.

Price:

3 students (minimum) = \$69 per student

4 students = \$59 per student

5 students = \$49 per student

Presenter:

Janet MacDonald has over 10 years of experience with university admissions, advising and scholarship selection. Janet was an Assistant Registrar of Admissions at Dalhousie University and an Admissions Officer at The University of British Columbia. For six years she was a Program Coordinator for a national science and engineering research scholarship program for both undergraduate and graduate students. Janet is an alumna of Dalhousie University.
